Adapted from posting by Bill Hoffman to the Pest Managers listserv 2/24/03:

I have posted the referenced pdf fact sheet for your access @
<http://www.pestmanagement.rutgers.edu/PAT/NatWNVFS2003.pdf>

Distribution of 2003 pdf version of the **National Pest Alert West Nile Virus in North America Fact Sheet**

The new version is very similar to last year's fact sheet. The only changes are in the first two paragraphs (updated the number of cases and distribution). The printed copies of the fact sheet will be shipped early next week, so if you placed a preorder you should receive them by the first part of March. Invoices will be mailed separately and you will receive them in a couple of weeks. **We have approximately 35,000 additional pest alerts available for purchase at a cost of \$50.00 per 1,000.** If you are interested in obtaining copies of the printed fact sheet, please contact Sandy Osterbur at (217) 244-2124 or by email at saosterb@uiuc.edu.
